Hi Sarah:

The due date for the payment was 1/31/07. The charges were only calculated and assessed from March 2007 through July 2007. The amounts due are a penalty charge of \$5,058.08, and an interest charge of \$2,529.03.

The penalty charge was calculated using the tax base due ($\$28,100.42 \times 3\%$ per month for a total of 6 months past due) = \$5,058.08.

The interest charge was calculated using the tax base due ($\$28,100.42 \times 1.5\%$ per month for a total of 6 months past due) = \$2,529.03.

If you have any questions, or need additional questions, please let me know. Have a great day!

Thanks,
Bridgette
